

## Operating time

Once total use time has been displayed, the use time of each operation mode will be displayed by pushing the respective manual operation button. The operation mode can be confirmed as shown below (mode confirmation display).

manual massage	Button Operation	Operation mode display	Mode confirmation display
	 upward	upward	
	 downward	downward	
	 tapping	tapping	
	 rolling	rolling	
	 kneading rolling	kneading-rolling	
	 tapping rolling	tapping-rolling	

\*1. Calculating the use time of operation modes is the same as for total use time shown above.

\*2. Push the start/reset button to cancel display.
