

## Massage wheel cover

### **1. Removing the massage wheel cover.**

1. Take off the right and left armrests.
2. Remove rear cover (refer to previous page).
3. Remove the seat cushion cover (refer to previous page).
4. Remove (81).
5. Remove the C-clips (a) from top to bottom (15 pieces).
6. Remove the two C-clips (b) on the bottom of the seat cover.
7. Take out the massage wheel cover from the frame.

#### **\*Caution during installation.**

- When installing the massage wheel cover onto the frame using (a) and (b), be careful not to pull too much, as the massage wheel cover tears relatively easily at the seams.
