

Seat cushion cover

1. Removing the seat cushion cover.

* Using the leg massage lever, set the leg massage.

1. Remove the Velcro (a) from the backside of the leg massage. Peel off the cover.
2. Pull off (upwards) the right arm rest (6) and left arm rest (7).
3. Remove the four arm fitting clips (74). Turn the chair over on its side, and from the bottom of the chair, press inwards on the legs of the hooks (b) and pull the hooks out (upwards).
4. Remove the seat cushion cover. (The seat cushion cover includes the cushion.)

*** Caution during installation.**

- When installing to (14), a certain direction is necessary. Please refer to the photo for directions in installing.
